Photo Booth

FAQ

How many people will the booth fit?

We can fit 6-12 people in the booth at one time.

How does your photo booth provide favors to our guests?

We can personalize your photos with an event description for your guests to take home.

Is there a limit to how many photos can be taken at an event?

Absolutely not! Please take as many as you'd like.

What is needed to reserve the photo booth?

A signed contract and your deposit.

Other information:

The photo booth prints unlimited color or black and white photos for the duration of your event. There are four photos taken in each sitting and they print out immediately--1 copy for the guest, 1 for you! Scrapbook, glue & pen not included. The entire process from entering the booth to having the strip in your hand can take as little as 45 seconds.

If providing your own artwork for your strips, please submit as rectangular .jpg, 300dpi.

Your guests will be involved, have fun and most important, remember your event for years to come. Give them a keepsake that will always remind them of your special occasion.
